

## PAUL BOIZOT - MUSIC REPERTOIRE (CIRCLE & FOLK DANCE)

29.07.18

BOUZOUKI – for some pieces, repertoire includes primarily melody only (M) or chords only (C). C\* = I can play chords, melody would be playable with some rehearsal. M\* = vice-versa. I also SING and DRUM. V indicates I am able to sing and play bouzouki at same time. I have not attempted to list all other songs I can sing, or those I could sing if not also playing. I do not sight-read scores - I learn melodies by ear - but I am usually able to sight-read written chord symbols (in the form of letters, e.g. Am, E7) for new pieces.
